Case 32
HOMETOWN

YONOGI PARK

Hey, lower your body a bit, lower you ass too, lower, lower
You're seriously number one in Japan for taking advantage of the moment to touch a girl's body huh?

In other words, this is training for you guys, TRAINING!!
Bitch
Peeping in the park is basic stuff
He's busy with his family service so...
How about Cho-san?
In any case, is it alright to do this when there's no job?
Senpai, is there really someone doing it mid-winter like this?
ズズ
Reika, don't just moan, try smiling more!!
Full of determination
Really?
If they're in the mood for it, and it's troublesome to go to a hotel, they'd just plop it in on the spot
Park peeping isn't related to the season at all

!?
Plop
plop
plop
?
Shhh...
Plop
plop
plop

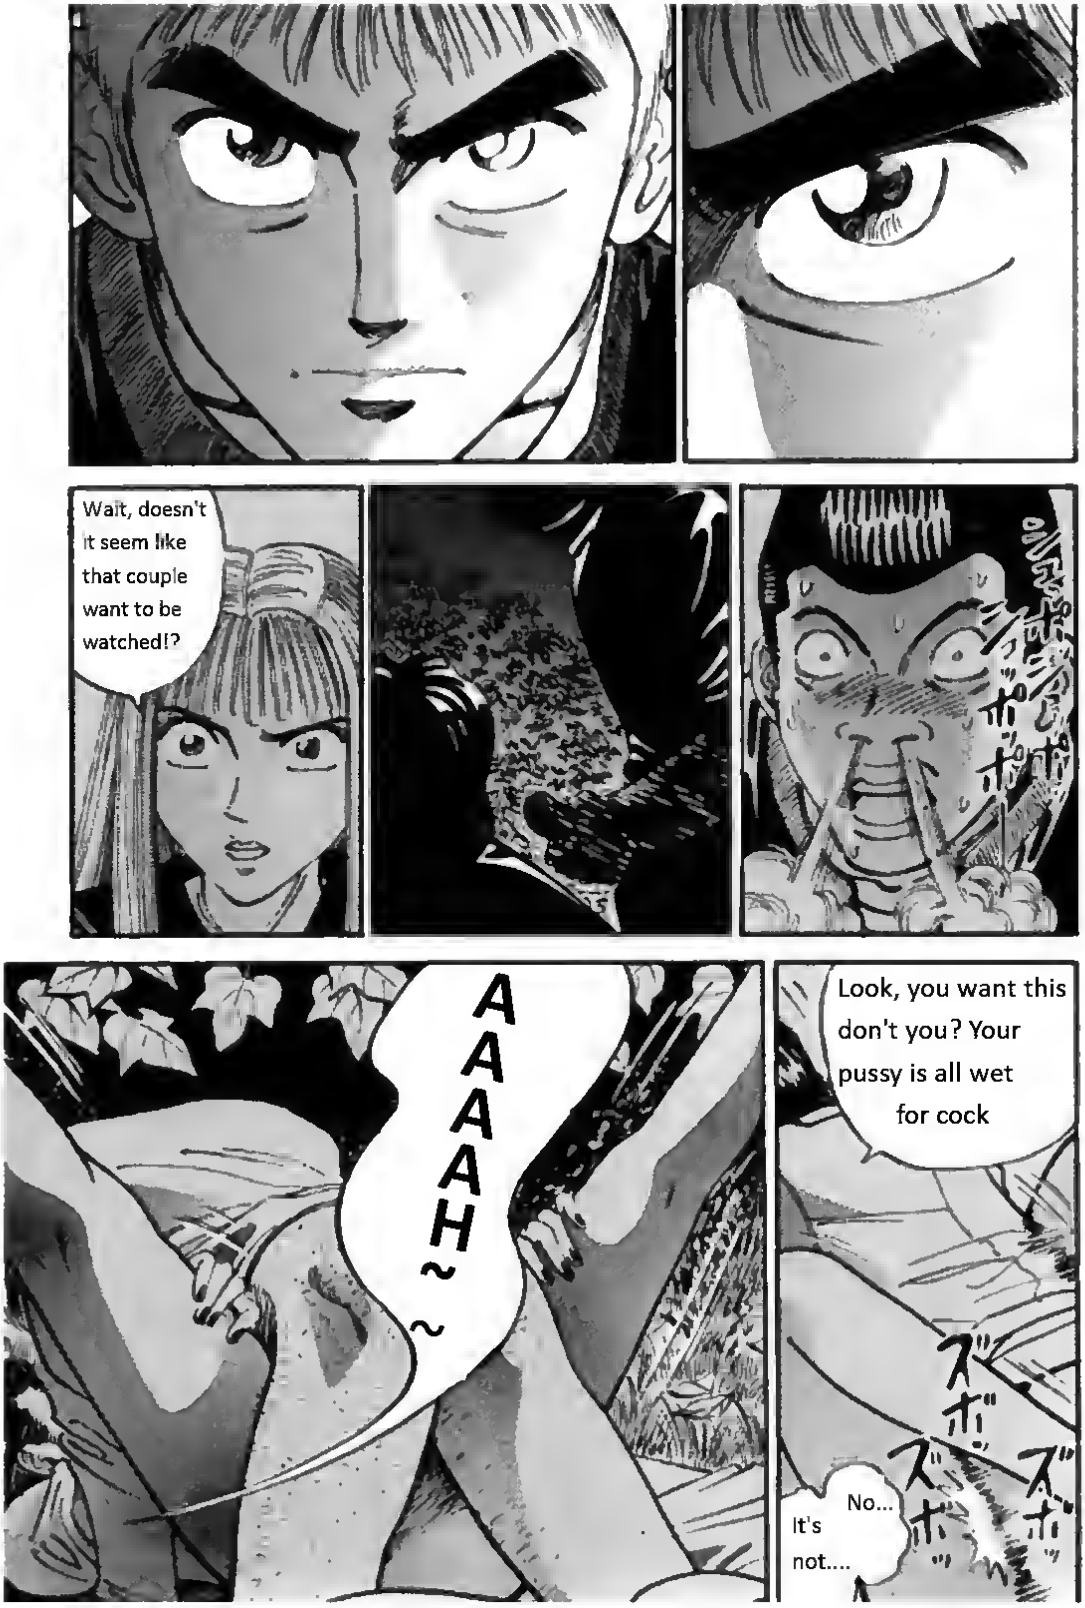
Nnn...
Aah....
Ahn...
Ah
Aaah,
So dirty, ass
Calm the fuck down
Smile it's great and all but, listen well
It's the first time... I've seen it....
S....senpai...
I... Being this close to perverted acts... I...

Eh?
But on the other hand, if you disturb just a little bit, they'll swoop down on you
The park peepers
They're appearing, they're appearing
What?
If you just watch quietly they won't do anything
If you look down on just peeping, you'd be in for a painful experience

Ah... Are they watching?
Hey, is everyone watching?

Tatsuo~~
No way!! No, what should we do!?

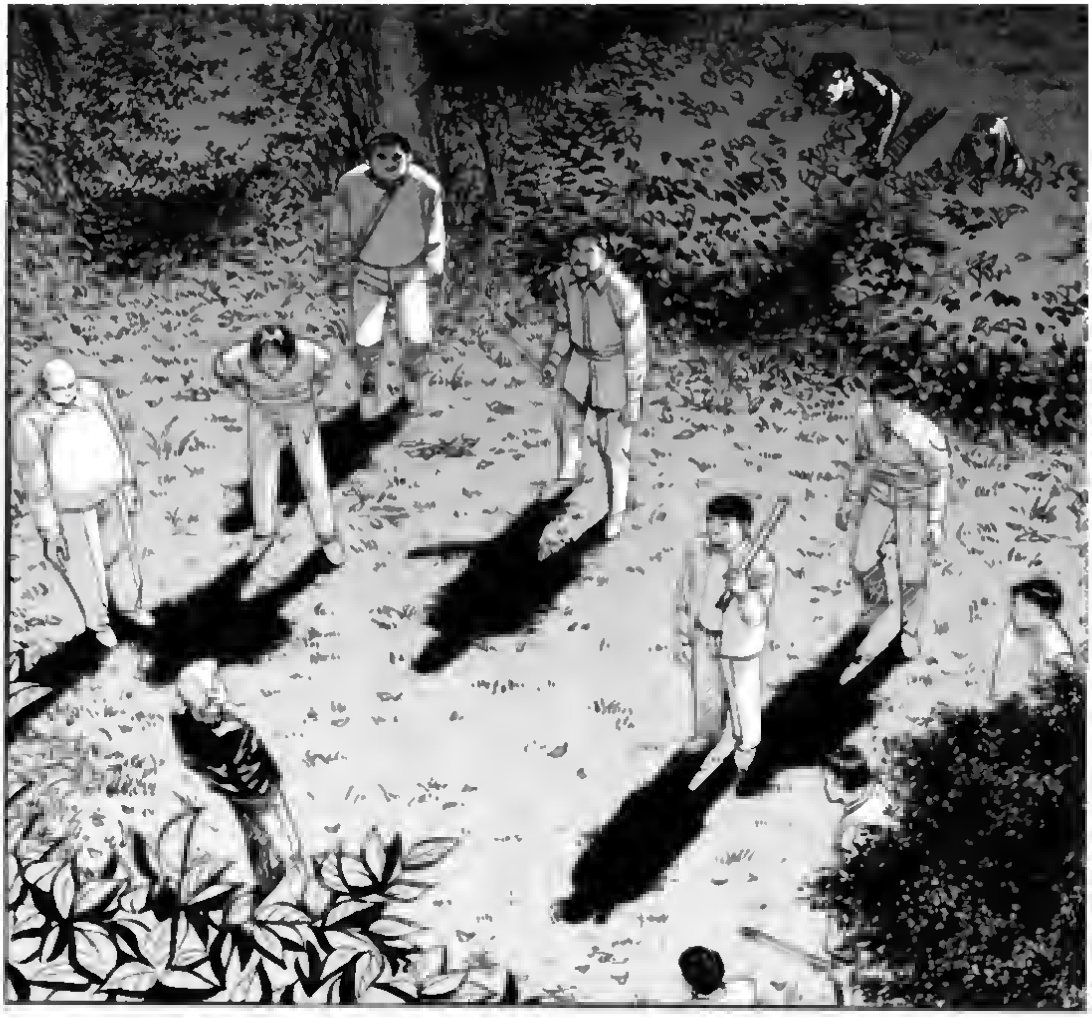
Yeah, they're watching, those peepers there are all watching closely at you



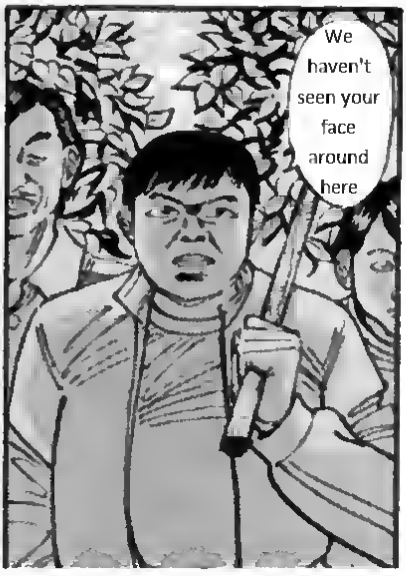
Wait, doesn't it seem like that couple want to be watched!?
AAAAH~~
Look, you want this don't you? Your pussy is all wet for cock
No... It's not....

Hey--!!!
Ah, senpai...
Ken
W... what's with you...?
You might as well do it in full view at Roppongi!!
If you want to show it that badly,

We are here to really peep
We didn't come to see that kind of boring sex
Ouch, ouch
Although we were showing it...
W, what even, although he's just a peep...
Hurry up and go home
We have to help him
W... what should we do?
Isn't this bad!?



Of course he does
Do you want to die?
You disturbed the best part



We haven't seen your face around here

If you don't understand the rules of peeping, then don't come, idiot

In the end he can't do any thing
K, Ken-san!!
Looks like peeping had fallen too
You guys, that couple wanted to show their sex, it's not to be peeped on, it was to show
The couple is leading you, you're all just guests

So you're not noticed, you hide, that part is real peeping
To peep, the other party can't know your presence
!
Asshole!!
I'll destroy you!!
See, because I hit the nail on the head you're mad
Senpai
.....
Was there anything you were truly peeping on?

What's going on!?
What's going on?
This ass hole!
This outsider is trying to provoke a turf war!!
Ah, Kuro-san!!
What's going on?
It's really quite heated here
You're still around here?
You're a pretty tough old man
Oh?

Isn't that Ken...?
Old man, you're as smelly as usual, do you even bathe?
?
Are you well?
?
?
Hyaaaa you're alive!?
This asshole ---
!?
I don't understand, but thank god...
He is...
Kuro-san talked about him before...
Hey, Ken is, could it be that Ken?

There's no one who's here longer than me
Peeping is seen as a light illness, so once they're healed they just leave

Hihihi, Ken, it seems like you're not healed either

But for you old man, it's a severe illness

It's more fun peeping on humans
It's just, I stopped peeping on couples having sex in parks

We all missed you
Suddenly disappearing from the park without a word

So this is like senpai's hometown
So he peeped here before
Liar
!
Is your eye okay now?
……?
Home town huh~
!?

Hoooh, you did well
Come look
